Oklahoma! OK

Thank you to everyone who came and auditioned for the show – it is now cast and singing rehearsals are underway. It's already sounding great after just a few rehearsals – so it promises to be a great show. It's wonderful to have so many new faces come and join the company and as well as our faithful members and returning ones as well!! We would still love to have a few more men in the chorus – so if you are interested or know of someone who is, please contact **Emily at briteiz41@yahoo.com** or **0400 639 536**.

Help Wanted for Production Team

The shows of BTC wouldn't go on without the hard, dedicated group of people who work behind the scenes on the production side to get the shows to the stage. We have been fortunate to already have a small group of people put their hands up to assist in many various jobs and the company thanks them for taking on these roles. With plans already underway, we're going to have a beautiful backdrop and a great set. However, we are still looking for people to assist in the backstage area, help with sewing costumes, Front of House, publicity and other areas. So if you are willing to help, or have family or friends who would like to be a part of the show, please contact Emily on the above details.
