BREAKING UP IS HARD TO DO

With less than two weeks till opening night, cast, band and crew are working hard to perfect the show. The blocking of the show was completed in early June and since then the acts have been run separately and now we begin to run the show. It's wonderful to see the characters really beginning to develop as well as the fantastic Sedaka songs and the big chorus numbers.

We can't wait to bump in to BPACC on 16 July and the hectic tech week leading up to opening night on 22 July.

At the end of the newsletter is our poster – please feel free to pass on to put up at your work place or community groups. Every bit of publicity helps us get more people to come and support not only our show, but our company.

We have 7 shows over 2 weekends. Friday 22 July at 8pm, Saturday 23 July at 2pm and 8pm, Sunday 24 July at 2pm, Friday 29 July at 8pm and Saturday 30 July at 2pm and 8pm. Bookings can be made at BPACC on 5762 5515, at the box office or online at www.bpacc.com.au.

L: Molly Craig and Deb Patterson as Esther and Lois, discussing the big issue... love.

R: David Garrett as Harvey

L to R: David Garrett, Gemma Keating as Marge, Lochie McNair as Gabe, Deb Patterson and Jamie Boatwood as Del.

The Chorus doing a fantastic job, to the left is Happy Birthday Sweet Sixteen and to the right is Stairway to Heaven / Little Devil.

NIGHT OF ENTERTAINMENT

Once again we will be putting together a fabulous night for our audience. The reception centre at Raffety's has been booked for **Friday 25 November**. Rehearsals will begin in September. A firm date will go into the newsletter in the coming months.

BTC KITCHEN TABLE MEETING

A reminder that we are having a Kitchen Table discussion looking at a 10 year plan for our company. This will look at what we're doing now and what we can do in the short and long term to assure our continuing growth and place in the community. The date is **Tuesday 23 August** at 7.30pm at the Hut.

The company wishes a very happy birthday during July and the year ahead to:

Grace Thompson
Kelvin Watt
